

Olympia Cladding

Last Revised 2/21/2019 - A&D

PRODUCT DESCRIPTION

Olympia Cladding is named for Windfall's home town and made from the Pacific Northwest's regional Red alder. With a silky smooth face, the cladding is available in 10 translucent colors which allow the natural features to shine through. Stains offered are low to no-VOCs and a dead flat and satin top coat, which enlivens the wood. Designed with tongue and groove edges for easy installation with standard tools and techniques.
